Bullitt County Vision Statement

Discover the Nature of Bullitt County

Bullitt County is an excellent place to live and to raise a family. We are a growing, thriving and progressive community providing convenient proximity to the amenities of the Louisville metropolitan area while affording the rural and friendly atmosphere of southern living. We offer quality education, recreational opportunities, community involvement and quality jobs for the future. We are dedicated to preserving our rustic natural spaces, our forests, hills and abundant wildlife. We welcome visitors to come and travel the Bourbon Trail, visit our many wineries and distilleries, partake in our hunting and fishing resources and enjoy the natural beauty of Bernheim Forest. Arrive a visitor, become part of our family.
